

**RE: ENGAGEMENT OF 302 TRADE APPRENTICES AT STEEL AUTHORITY OF INDIA LIMITED
– IISCO STEEL PLANT, BURNPUR.**

Online applications are invited for enrollment to Apprenticeship Training for a period of one year at SAIL IISCO Steel Plant Burnpur, as Trade Apprentice in line with the Apprenticeship Act 1961.

The notable points are as follows –

1. ELIGIBILITY FOR ENROLLMENT -

- a) Any Indian citizen who has completed his ITI course from a government recognized institute, in the specified Trade (full time regular course only) in the last three years (passed out in 2022 or after) may apply.
 - b) Candidates whose “contract ID” has already been created in line with the Apprenticeship Act 1961, during their apprenticeship training in any other organization are **NOT ELIGIBLE** to apply.
 - c) The candidate should be minimum of 18 years of age, as on 20.05.2025.
- For each of the trades, reservations of seats will be in reference to the state government guidelines for educational institutions as detailed below:

SC	ST	OBC	EWS	PWD
22%	6%	17%	10%	3%

Candidates applying under the above-mentioned reserved categories must possess a valid/updated certificate complying with the existing guidelines, PWD candidates should be in a position to perform routine basic functioning independently.

2. TENTATIVE NUMBER OF SEATS -

A total of 302 Trade Apprentices in the following branches will be engaged as per following details-

Sl.No.	Trade	Numbers
1	Electrician	50
2	Fitter	52
3	Rigger	25
4	Turner	19
5	Machinist	20
6	Welder	50
7	Ref & AC	30
8	Mechanic-Motor Vehicle	4
9	Plumber	8
10	Computer & ICTSM	31
11	Draughtman	13
TOTAL		302

Additionally, there will also be a provision for separate "waiting list" in order of merit which will be 10% of the total seats. The waiting list applicants will be called for only when there is a shortfall in the joining.

3. SELECTION PROCESS-

The candidates will be selected on the basis of their marks obtained during ITI , in the specified category & TRADE. In case there is a tie between the applicants in their aggregate marks, the candidate who is older in age will be preferred.

- a) Start date of online application: 21.05.2025
- b) Closing date for online application: 30.05.2025

4. DURATION OF TRAINING -

The duration of training will be one year from the date of Contract creation & contract would be terminated automatically after completion of apprenticeship training period. The apprenticeship training offered by SAIL-ISP shall not create any right on the incumbents to claim regular employment in SAIL-ISP during its regular Recruitment process. The shortlisted candidates shall accordingly, be required to provide a notarized undertaking that after completion of training they will not demand employment on the basis of the extant training and completion thereof.
